

PRODUCT INFORMATION Uno-M_TY_EN - 21.11.2019 - www.vs-furniture.com

Uno-M, Uno-M-Step Skid desk.

Frame made from powder-coated tubular steel with central upright on flat-ended skids with plastic kick protection. Desk legs made from flat oval steel tubing and cross-strut made from circular steel tubing.

Desk sizes: 6 fixed heights or with 5-stage grid height adjustment using an Allen key fixing. All products compliant with DIN EN 1729.

Desktop made from melamine-coated LIGNOpal chipboard with continuous, moulded (PU) polyurethane safety edge, from exceptionally strong LIGNOdur safety board with soft, rounded edges, or from laminate-coated chipboard (see table for dimensions and desktop types).

Equipment and options. With glide elements for hard and soft floors or 2K universal glide elements and satchel hooks. Also with lattice-type book storage or chair suspension for BasicGlide, LuPoGlide, PantoSwing (as of size 4) and PantoMove.

Warning: The desk height may vary depending on the type of desktop and the glide elements. Polyurethane edges are extremely tough. However, their colour may change over time.

The following material groups are available to choose from: Frame made of steel tube: M1,(chrome-plated); Top made of LIGNOdur: L1; Top made of LIGNOpal-PUR: L2; Chipboard HPL-coated: L4.
