

PRODUCT INFORMATION Ne-Einz_TY_US - 01.03.2018 - www.vs-furniture.com

NetWork Single and add-on table.

Frame. Four-sided top frame of half-oval tubular steel with screwed-on round tubular steel legs, either powder-coated or chrome-plated. With functional gap between table top and frame to accept accessories and adapters. The system consists of basic and add-on tables as well as hanging leaves. The tables are fitted with floor-levelling screws or castors.

Table heights are either fixed, adjustable in steps or continuously adjustable.

Table top of LIGNOpal chipboard laminated with either melamine-resin, veneer or linoleum and with glued-on (KU) plastic or (BU) beech edges. Choice of square or rounded corners.

Features (optional): Rectangular tables with 2 or 4 castors.

For further information on the NetWork-office table and desk programme see the product information on table systems.

The following material groups are available to choose from: Frame made of steel tube: M1,(chrome-plated); Top made of LIGNOpal-plastic/beech: L3; Top made of linoleum: L8; Top veneered: F1.
