

PRODUCT INFORMATION UnoBean_TY_US - 01.03.2017 - www.vs-furniture.com

UnoBean Skid desk/table with freeform top.

Frame made of powder-coated steel tubing with center leg/post on flat tapering skids with plastic step protection. Desk/table legs made of flat-oval and cross-stay of round steel tubing. Table sizes in 6 fixed heights in accordance with DIN EN 1729. Table top of melamine-resin coated LIGNOpal chipboard with seamless moulded-on (PUR) polyurethane safety edges.

Equipment and options. With glide elements for hard and soft floors or 2C universal glide elements. With bag hook, universal box with lid and wire mesh storage shelf or chair suspension for Compass, PantoSwing and PantoMove chairs.

Warning. The desk/table height can vary, depending on top types and glide elements. PUR edges are extremely durable, but may be subject to discoloration over time.

The following material groups are available to choose from: Frame made of steel tube: M1,(chrome-plated); Top made of LIGNOpal-PUR: L2.
