Serie 800 Accessories for filing cabinets and drawers.

Partitions made of sheet steel for drawers facilitate division into further longitudinal compartments. Partitions have, like the all-round casing, further notches for integrating dividers.

Dividers and file-card boxes made of sheet steel and adapted in their dimensions to the grid of the drawers and the DIN A row. Steel bow handles are available to facilitate the removal of the file-card boxes.

Swing supports made of sheet steel can be inserted in file-card boxes.
