

PRODUCT INFORMATION SpaceWalk_TY_US - 01.02.2024 - www.vsamerica.com

SpaceWalk Mobile storage module with a single-sided guide system for Certwood boxes.

Frame consisting of bent and welded rectangular steel tube on 4 lockable double swivel casters (d=65mm) and a top sheet metal shelf. Optionally with a rear panel, two side panels and a hinged door made of sheet steel in different combinations. Side parts with a recess as a handle. All steel parts powder coated in color.

Modular system consisting of 1, 2 and 3 part elements.

Rail system between the frames with metal guides and pull-out stop. Different sized Certwood boxes with or without lids can be inserted variably in the module in the metal guides as required. Optionally without rear wall, modules can also be used on both sides.

Locking system optionally with cylinder lock.

The following material groups are available: Frame made of metal: M1; Certwood plastic box: C9.
